- Always apply Lip Colour before Lip Gloss.
- Experiment with new colour combinations!
- Add silver sparkle eyeshadow to make a daytime look totally glam!

Painting & Decorating Your Nails!

1. If you're not using the press-on nails, use the file to shape your nails and then paint with the polish.
2. To apply press-on nails, peel the backing off of a nail adhesive sticker and apply to the inside of one of the nails. Be sure to pick the size that fits each nail best.
3. Firmly press the nail onto your own nail. When all of the nails have been applied, you're ready to polish!
4. Peel and stick shimmery nail stickers to your dry nails to add some fun!
