Laser X Blaster

- Blast Indicator
- Team Indicator
- Battery Compartment
- Trigger
- Headphone Jack
- Team Selector

Receiver Vest

- Hit Indicator
- English Voice Coach button
- Headphone Volume
Installing Batteries:

Insert 3 AAA (1.5V) batteries into Laser X Blaster as shown.

NOTE: Receiver Vest does not need batteries.

Putting on the Receiver Vest:

Put the Receiver Vest on the same way you would put on a shirt – put your arms through the holes where sleeves would be and your head through where the neck hole would be.

Game Play:

Select your team by sliding the switch to:

- Red can hit and be hit by blue
- Blue can hit and be hit by red
- Red can hit and be hit by blue
- Blue can hit and be hit by red

Load your Blaster:

Press AND HOLD the trigger for 2 seconds.

While still holding the trigger, shake your blaster down and then back up.

During Game Play:

- Blasters can hit Receiver Vests up to approx 61m.
- With each hit, the Receiver Vest indicator will change from Green to Red.
- 8 Hits and you are out.
- For each minute you are not hit, you can automatically get one hit “back”.
- When you are out, you must turn your Receiver Vest off and re-select your team to start a new game.

Tips:

- Very bright sunlight may affect Laser X Blast Range.
- Indoors, Laser X Blaster beams can be bounced off walls and mirrors to hit your opponent.
- You can blast through windows.
- Turn your Laser X Gear to OFF when not in use. Leaving it in any of the team settings will drain batteries.

Play Smart

- Laser X uses an infrared beam, NOT a real laser.
- ONLY play in a safe area AWAY from cars and traffic.
- Laser X contains a long cord and straps which are strangulation hazard for young children and pets.
- Keep Laser X out of reach of small children and pets.

Be a Good Sport:

- Don't cover your Receiver Vest or hide it.
- Don't reset your Receiver Vest During play.
**Using Headphones:**

You can plug headphones (not included) into the Headphone Jack. When headphones are used, all game sounds EXCEPT the Warning Beep are heard through the headphones and you will also hear the Laser X Music Soundtrack.

Adjust the headphones volume with the Volume Dial on the side of the Receiver Vest.

---

**English Voice Coach:**

The first time you use your Laser X, the voice coach is set to ON, to turn the Voice Coach OFF, switch the unit to OFF and use a paperclip (Not supplied) to push the Voice Coach button. To turn the Voice Coach ON, switch the unit to OFF and press the button again. The Voice Coach setting will stay in whichever mode you have selected until the button is pressed again.

---

**Scoring Hits:**

Blast your opponents Receiver Vest. The more accurate your shot, the more likely of scoring a hit BUT the Receiver Vest is designed to register hits on most of a player's body front.
